Dear residents,

Resident webinar Thursday 13 July, 6pm – remedial work to begin soon

I'm pleased to say that the project to remediate the external wall system at Matthews Close will begin over the summer. We will be holding a resident webinar on **Thursday 13 July at 6pm** to go over the details of the project and you'll be able to ask us any questions you have.

What will we cover at this webinar?

The webinar will last from 6-7pm and we'll give a presentation on the following:

- Introduction to the building safety team and contractor
- The remediation we'll be doing at your building
- The project dates, site plan and layout
- Funding position
- EWS1 form and lender letter
- Plus a Q&A session.

Access the webinar

You can access the meeting and the link to submit questions by visiting:

www.networkhomes.org.uk/buildingsafetymeetings

Webinar joining instructions

We'll be holding this webinar on Microsoft Teams – you don't need a paid account to join, but please give yourself enough time to get set-up before the webinar starts. You can find out joining instructions and the link to join the webinar by visiting the link in the box above.

You will be able to ask us questions through our Q&A function while we give the presentation. If you have any questions now, you can submit them beforehand at the same link above – we can then ensure we have as full an answer as possible to give you at the webinar.

We'll send out a copy of the slides, a recording of the presentation and a 'Guide to the Works' document, which will include all questions asked, within two weeks of the webinar. If you have questions or queries about other matters that aren't related to this project, please get in touch with Network Homes separately, so we can dedicate this time to answering your queries on building safety.

Further support

Check our document library for your building's letters and documents – it takes a little while to load: <https://www.networkhomes.org.uk/matthewsbuidingsafety/>. Or you can get in touch with us on customerservice@networkhomes.org.uk if you have any questions.

Kind regards

Raj Gandecha
Head of Resident Management (Building Safety)
