Our payment provider has changed

We've switched to PayPoint as our new payment provider. It replaces allpay. Most of the payment ways you make payments to us are still be available for you to use. However, there may be changes that you need to make, depending on how you make payments to us, to ensure payments continue to reach us. You will not need to do anything if you currently make payments to us by standing order or Direct Debit.

We've updated the payment links on our website and in your My Network Homes account so we will continue to receive your payments if you make a payment this way. If you make payments using your payment card, and you've used it in the last 12 months, we've sent you a new to use to make payments to us. Please give it until 7 July for the card to arrive.

PayPoint offer most of the same payment methods as allpay, as well as other payment options. Although you'll still be able to pay us in the usual ways, you'll need to ensure you're using the new versions from 3 July. We've included more information about the changes you need to make on our website at www.networkhomes.org.uk/paymentproviderchange. You will also be able to find the updated payment options on our website at www.networkhomes.org.uk/waystopay from 3 July.

Applying for Parking Permits

CPM manage the car park at your estate, this includes issuing new parking permits. If you would like to apply for a parking permit to park your vehicle, please contact CPM at networkhomes@uk-cpm.com.

However, your application will NOT be processed if your rent account is in arrears in excess of £500. Once you have cleared your rent account arrears you can resubmit your application.

Warning about Tailgaters

We're aware that people with criminal intent may try to gain access to your estate or building. They may already know of ways to gain access unnoticed and one of them is by following you into the building by tailgating.

Tailgating is when an unauthorised person follows behind an authorised person to get into a building or estate. An authorised person would be someone who lives in the building, is visiting a resident who lives in the building or someone working for, or on behalf, of Network Homes, the managing agent or owner of building. It is one of the most common physical security breaches to an estate or building.

People will often offer random act of kindness, such as holding the door open for a stranger, which creates an opportunity for unauthorised people to gain access to the building. If you're not familiar with the person / people relying on you to gain access to your building, please do not give them an opportunity to have access by leaving the door open or holding it open for them to enter. When people with criminal intentions enter the building, it can create safety concerns for you and other residents, and give them an opportunity to cause damage to the building.

Parcel deliveries

We strongly recommend that you arrange for parcels to be delivered on dates when you will be at home to receive them. Alternatively, you may want to use the 'click & collect' service provided by many retailers. We accept no liability for thefts of parcels as we're unable to monitor parcels left by delivery personnel.

Window cleaning

The window cleaning programme for 2023 is next scheduled for November.

Balcony cleaning guidance

Residents requested, at the previous Residents Meeting, information and guidance on balcony cleaning. Please see below some Do's and Don'ts when cleaning your balcony.

- DO tell your neighbours in advance to allow them time to prepare and to remove items from their balconies to prevent any dust or water damaging their belongings from your balcony above.
- DO ensure you sweep your balcony regularly to prevent the build-up of dirt and the need for extensive cleans.
- DON'T use excessive or running water. This will drain down on to your neighbours below.
- DON'T clean your balcony straight after a window cleaning visit (July). This will undo the hard work of the window cleaners if they then get dust or water on them. Try to complete your balcony clean before they attend.

Anti-Social behaviour (ASB)

If you think you're experiencing ASB, please check out our ASB toolkit to help you identify ASB and understand the steps you need to take if you're experiencing it. You can find the toolkit on our website at www.networkhomes.org.uk/asbtoolkit

Rough sleepers

There are many forms of anti-social behaviour (ASB) and some of them include rough sleeping. Rough sleeping includes people who are sleeping in places that are not intended for living e.g., our bin stores or other communal areas.

If you have concerns about someone who is rough sleeping, but they are not causing criminal damage or are a threat to you and other residents, you can get in touch with organisations that can provide them with support, such as Streetlink London. You can find out more about this and what to do on our website at www.networkhomes.org.uk/groupdisorder.

Stay put fire safety strategy for your building

The fire strategy for your building is a stay put policy. This means unless you're directly affected by a fire, told by the emergency services or a Network Homes staff member to evacuate, you should stay in your home. Remember if you do need to evacuate because of a fire, do not use the lifts. Close the door behind you and safely make your way out of the building before calling the emergency services on 999. If you are unable to self-evacuate or evacuate using the stairs, please contact our Fire Safety Team on **0300 373 3000** so we can visit you and discuss a personal evacuation plan.
