

Safety in your building

12 October 2023

Vantage Point,
Berger Road,
Homerton,
E9

Dear residents,

Resident webinar Thursday 19 October, 6pm – work restarting

I'm pleased to say that we're now ready to restart the project at Vantage Point after making an agreement with a new contractor Coneelly to remediate the external wall system. We'll host a resident webinar on **Thursday 19 October at 6pm** to go over the details of the project and you'll be able to ask us any questions you have.

What will we cover at this webinar?

The webinar will last from 6-7pm and we'll present on the following:

- Introduction to the building safety team and new contractor
- A recap of the remediation we'll be doing at your building
- The project dates, site plan and layout
- A reminder of the funding position
- EWS1 form and lender letter
- Plus a Q&A session.

Webinar joining instructions

We'll again be holding this webinar on Microsoft Teams – you don't need a paid account to join, but please give yourself enough time to get set-up before 6pm. You can find joining instructions and the link to join the webinar in the box above.

As before, you will be able to ask us questions through our Q&A function while we give the presentation. If you have any questions now, you can submit them beforehand at the same link above – we can then ensure we have as full an answer as possible to give you at the webinar.

We'll send out a copy of the slides, a recording of the presentation and a 'Guide to the Works' document, which will include all questions asked, within two weeks of the webinar. If you have questions or queries about other matters that aren't related to this project, please get in touch with Network Homes separately, so we can dedicate this time to answering your queries on building safety.

Further support

Check our dedicated Vantage Point webpage for letters and documents related to the project: <https://www.networkhomes.org.uk/vantagebuildingsafety/>. You can also get in touch with us on customerservice@networkhomes.org.uk if you have any questions.

Kind regards

Raj Gandecha

You can access the meeting and link to submit questions at: www.networkhomes.org.uk/buildingsafetymeetings

A reminder
Your building's fire strategy is currently: **simultaneous evacuation**, which means you must evacuate if you hear the fire alarm, even if you think it is a false alarm.
